To all Authorized Employers:

Re: Online Payment Option for Authorizations/Appointments

The Peace Officer Program is pleased to announce online payments using credit cards and debit cards for applications for Authorizations to Employ Peace Officers and Peace Officer Appointments under the *Peace Officer Act*.

Online payments can be made at <https://eservices.alberta.ca/business-services>. Agencies may still pay with corporate cheque if preferred.

When completing the online payment option, the name of the agency and the agency's Authorization number must be entered before proceeding. Once the payment is complete, print a copy of the receipt and attach it to the application package before submitting to the Peace Officer Program for processing. Agencies can enter multiple employees per payment.

Should you have any questions about this new option, please contact the Peace Officer Program at peaceofficerinfo@gov.ab.ca.

Sincerely,

Tammy Spink
Manager
Peace Officer Program
